## NOTICE

### HYDRANT AND WATER MAIN FLUSHING

During the months of **June** and **July** the ISC Fire Department will be conducting annual fire hydrant flushing. This activity is necessary to remove sediment that has accumulated over time from water mains and to conduct hydrant/water system flow testing. During these activities, occupants and residents may experience short periods of discolored water. Although aesthetically unpleasant, the water is safe for use.

If you experience discolored water, you should turn on the cold water throughout your facility/residence (e.g. sinks, showers/bath tubs) until the water runs clear. Aerators should be removed from faucets, if practical, during this process to avoid blockage. With the aerator removed, take this opportunity to clean and remove the sediment that has accumulated in the aerator over time. Soaking the aerator in vinegar will help with this process.

The schedule of activity is as follows:

- The month of June/July – Upper Nymans Peninsula
- The month of June/July – Industrial/Commercial Areas (hangars, etc)
- The week of July 7 – July 11 – Aviation Hill Housing Complex
- The week of July 14 – July 18- Upper Government Hill Housing Complex
- The week of July 21 – July 25- Lower Government Hill Housing Complex
- The week of July 28 – August 1- Lake Louise Housing Complex

If you have questions about these activities or experience prolonged water discoloration, please call the ISC Fire Department at 487-5808 or the Facilities Engineering Customer Service desk at 487-5444.

Hours: Wed 10:00 am-4:00pm

Friday 11:30am-3:30pm

Saturday 12:00pm-4:00pm

Cabin Cache carries unique gifts for babies, weddings, Secret Pals, and just because gifts. Our products are all made by local artist and crafters, and are constantly changing. We would like to welcome our new consignees to Cabin Cache. They have added new photo cards, jewelry, children's clothes and accessories' to our already diverse line of handcrafted gifts. We try to open on the days advertised, however, we are an all volunteer organization, and sometimes we just can't be open. If you would like to help us keep Cabin Cache open more hours please feel free to contact us at 487-5087. There are several benefits for volunteering. We are always looking for new consignees. We are located on the first floor of the Commissary building. Cabin Cache is operated by the SAK (formerly the OSA) and our profits go to local charities. Cabin Cache is open to the public.
